- customized plants
- construction stoutness,
easy-handling systems
- patents, special features,
all technical solutions

Pagnoni SMARTLINE

standard short cycle lamination press line complete, friendly, reliable, inexpensive

Pagnoni **SMARTLINE** the high quality answer to the cheap short-cycle lines actually proposed on the market

Pagnoni SMARTLINE

standard short cycle lamination press line complete, friendly, reliable, inexpensive

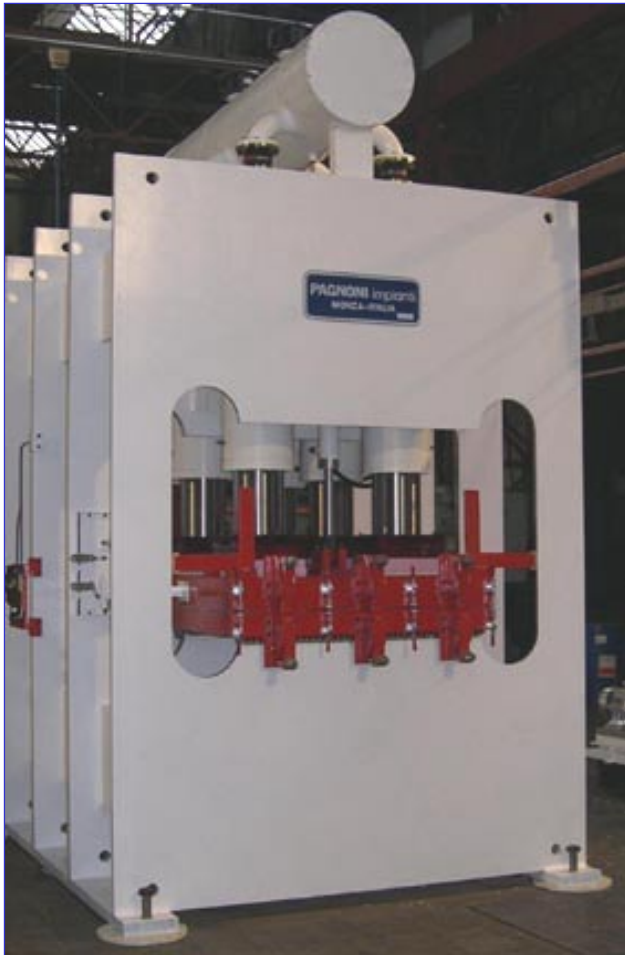

The standard SCL line featuring:

- ▶ premium quality board
- ▶ reliable and users friendly
- ▶ constant output
- ▶ all thickness boards processing
- ▶ low investment cost
- ▶ small running cost
- ▶ standard board size 4' x 8'
- ▶ fully computerized line
- ▶ simple, efficient, fast and accurate lay-up paper system
- ▶ fast installation for immediate running

Pagnoni SMARTLINE

standard short cycle lamination press line complete, friendly, reliable, inexpensive

State-of-the-art press, with:

- ▶ steady design
- ▶ down-stroke closing
- ▶ specific pressure **35 kg/cm²**
(500 PSI)
- ▶ high thermal efficiency
- ▶ independent thermal regulation of the platens
- ▶ 100% factory assembled and tested

Pagnoni SMARTLINE

standard short cycle lamination press line complete, friendly, reliable, inexpensive

Final product

- ▶ Laminated panels for all industries

Core materials

- ▶ particle board
- ▶ MDF and hardboard
- ▶ plywood
- ▶ special panels

Impregnated papers

- ▶ decorative melamine papers
- ▶ phenol resin papers

Pagnoni SMARTLINE

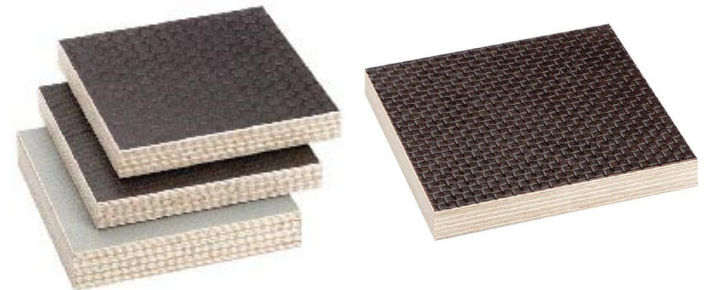

standard short cycle lamination press line complete, friendly, reliable, inexpensive

Final products:

- **laminated panels** for furniture industry
- **flooring**: melamine direct lamination
- **partition walls** and partition panels
- indoor **wall covering** and lining
- flat **doors**

- **truck loading paving**
- **container loading base**
- **shuttering boards** and formworks for construction and building industry
- **waterproof panels** for road posters

Pagnoni SMARTLINE

standard short cycle lamination press line complete, friendly, reliable, inexpensive

Pagnoni **SMARTLINE**:

- simple, strong, efficient, fast!
- reliable!
- inexpensive!
- first quality production!
- Pagnoni 12 months full guarantee!
